A few words from the organiser:

Well done to all of the riders, a new course record set by Dean Robson beating the time he set last year at our inaugural event this time getting under the hour with an average speed in excess of 26mph!!!

Yet again we received some great feedback on the course and although several things conspired against us it all went ok on the day, even the weather was ok although at one point it looked like it could have got rather damp but the few spots of rain didn't get any worse.

Many thanks to all that helped towards the smooth running of the event notably the marshals, cake makers and sellers, the chaps who put the caution signs out and of course to the time keeper Paul Arayan (although we did miss Dennis).

Same again next year, perhaps on a different weekend though to avoid the bank holiday, so I hope to see you all in 2016.

All the best, yours in sport
